

## Summer Reading Program 2009 Grades First – Sixth

Dear Parents and Students,

As summer approaches, it is time to relax, spend time with family and enjoy a change of pace. One great way to help your child keep up their reading skills over the long break is to encourage them to READ. That is why Del Mar Pines School offers the Summer Reading Program to reward those students who take the time and effort to read exciting literature over the summer.

Although the Summer Reading Program is an optional program, we strongly encourage all students to participate. Along with the Summer Reading Program, there are also required reading books for Fourth – Sixth Grades that are tied to curriculum. The required reading books can be counted towards Summer Reading Program goals.

There will be a Summer Reading Assembly in September for students who meet their goal. All Summer Reading Forms must be completed and turned into your child's teacher by September 11th. The reading goal for First and Second Grades is 20 books (a book equals 50 pages). The goal for Third – Sixth Grades is 10 chapter books (a book equals 200 pages), including the required reading books. The required reading list will be given to parents during end-of-year conferences. Please visit [www.cde.ca.gov/ta/st/readinglist.asp](http://www.cde.ca.gov/ta/st/readinglist.asp) for recommended book titles at each grade level.

The Summer Reading Reporting Form is attached with this letter. Additional forms will be available in the office. Please have your child write down the title, author and number of pages for each book read. When completed, parents please sign the bottom of the form.

Enjoy your summer and we look forward to seeing you in August.
